# Welcome

Here at Heartland, we create inspirational, beautiful, and useful products for the home and family. Each piece is the result of thoughtful design and many are manufactured in our facility in northern Indiana.

We endeavor to bring unique and carefully-crafted additions to the home, with a focus on American made products. This enables us to provide more opportunities for local employment including jobs for individuals with disabilities. All of it - creating jobs, creating opportunity, and creating beauty for the home stems from our desire to honor and glorify our Creator.

We hope this desire is reflected in our products and that they will touch the hearts and inspire the souls of all who use them.

# Wall Plaques

With beautiful, inspiring imagery and uplifting verses, our plaques are sure to bring joy and peace to any room in your home.

God has already  
taken care of  
unfolding every detail  
of your day,  
encircled every bit of it  
with His grace,  
and tucked His love in  
every moment.  
HE DELIGHTS IN YOU  
AS HIS PRECIOUS  
CHILD  
and tenderly watches  
over you in love.

*Trust Him with  
your journey.*  
God has a purpose  
for every situation  
you encounter.  
to bring you right  
to where He  
needs you to be.

 35172 My Happy

In the process of redesigning our boxed cards, we asked many young ladies what they think about greeting cards in general. Here's what we heard:

*"I like to create my own card, and write my own text on the inside."*

*"It's hard to match a verse/saying to what I really want to say."*

*"The value of buying multiple cards in a pack is nice, but 12 cards is almost too much for me."*

*"In a box with multiple different designs, there is always one or two that I don't like as well, and I might even end up throwing those away."*

*"What about a different size?"*

You talked... We listened.
